Proposal Regarding to Mobile Development

Date: 02-10-2020

Open Till: 09-10-2020

## Introduction

Thank you for your interest in partnering with KIKDE for your App development project. With well over 100,000 firms offering App development services, we know how challenging it can be to find the right agency for your web development needs.

At KIKDE, we hold one goal above all others: 100% client satisfaction. Our in-house team of web designers, copywriters, graphic designers, and developers uphold the highest standards for project planning and execution, and we're dedicated to building the perfect Application for your company on-time and on-budget.

We've built websites for several brands around the world with great success, and are quite excited to get to work on yours.

We have over Four years of development in this area and our precious clients are American Transportation System LLC and Seattle Freight Inc.

In this proposal, you'll find examples of our past work along with what we feel is the optimal solution for your website development needs, along with the associated delivery timeline, costs, and project terms. Once you've reviewed this proposal thoroughly, simply click "Accept" bottom to indicate your approval.

Thanks again for the opportunity to earn your business!
